

# Social Holiday Homework

## Class 7

1. Look at your surroundings. Make a list of how the land is being used in your neighborhood .

2. Talk to some elderly persons in your neighborhood or family and collect information about:

1. The trees in his/her neighborhood when they were of your age.

2. The indoor games they played

3. How did they make themselves comfortable during hot summers and cold winters?

3. Do you think there is equality among all people in our country?

Discuss with your parents/elders and find out what facilities are given by government for the backward classes.
